

# PONTIAC NATIONALS - YOUNG NSW

APRIL 2<sup>ND</sup> – 5<sup>TH</sup> EASTER 2021

---

*I would like to bring to your attention that the next Pontiac Nationals in 2021 will be held in the town of Young. This is the Cherry Capital of Australia and geographically central for everyone willing to attend.*

*The NSW Chapter would love to invite all our Pontiac Family to attend this event. This is a time for family, friends and our passion about Pontiac to come together to embrace our brand, our club and our excitement.*

*We have had a meeting with the Mayor and Young council about holding our event there. They are very receptive to our needs and we will work closely with the council over the next couple of years to bring back the small town feel of Nationals gone past.*

*At this stage we have secured the following venues for our event:*

*The Young Federation Motel is a 49 room facility and we have secured the whole site to hold our Nationals. We think this would be the biggest amount ever of our Pontiac Brand in one motel. The atmosphere will be out of this world! **THIS HAS NOW BEEN FILLED!!!!!!***

*We have also secured other motels in the area that are able to accommodate our needs.*

*The Hilltops council has offered the use of their facility at the Town Hall for our registration & Meet & Greet Friday night. I would like to thank the Hill Top Council for letting our club use this facility at no charge!!!*

---

## **Saturday Venue**

*At this stage will consist of a street parade around the main streets of Young, route to be advised, then parking 90 degrees in the Main Street of Young for our annual show & shine, here we will also be conducting our judging for those that have entered.*

*Around 1PM to 1.30PM those wishing to head off on a poker run will leave the show & shine and muster at the designated start point TBA.*

*We have been in contact with local pubs in the main street and they will be open for lunch, also available are local cafeterias & shops.*

---

### ***Night Functions***

*Will be held at the Young Workers club, which can seat up to 320 people, also in this facility is a stage where we will be able to have our band on the Saturday night. Also, dance floor and bar facilities are available.*

Then for those that would like to, we will be doing grudge racing head to head, first car across the finishing line wins and moves on till we find out who takes bragging rights till the next Nationals comes along.*

*We will be also arranging a couple of tour buses for those that wish not to attend the drags, these tours will show you the sights of what Young has to offer around the area. Tours TBA but we will keep you updated.*
